

BEAM MOULDS

101-E0054 Series

Precision Machined steel and plastic moulds

MOULD -BEAM 40X40X160MM THREE GANG

- **101-E0054-012**

Precision machined heavy base,
Machined steel edge formers
Tee bar Screw double clamp system
Weight 12kg

101-E0054-012

- **101-E0054-013**

Precision machined base
Machined steel edge formers
Thumb screw clamp bars
Weight 10kg

101-E0054-013

- **101-E0054-014**

Cast Iron precision machined base
Machined steel edge formers
Screw clamp system
Weight 6.5kg

101-E0054-014

- **101-E0054-015**

Blow our plastic mould
Low cost multi use
Lightweight

101-E0054-015

- **E106**

Feed Hoper to assist with filling moulds

BEAM MOULDS
